

SnapJobs

Find job in a snap

Zurich Team

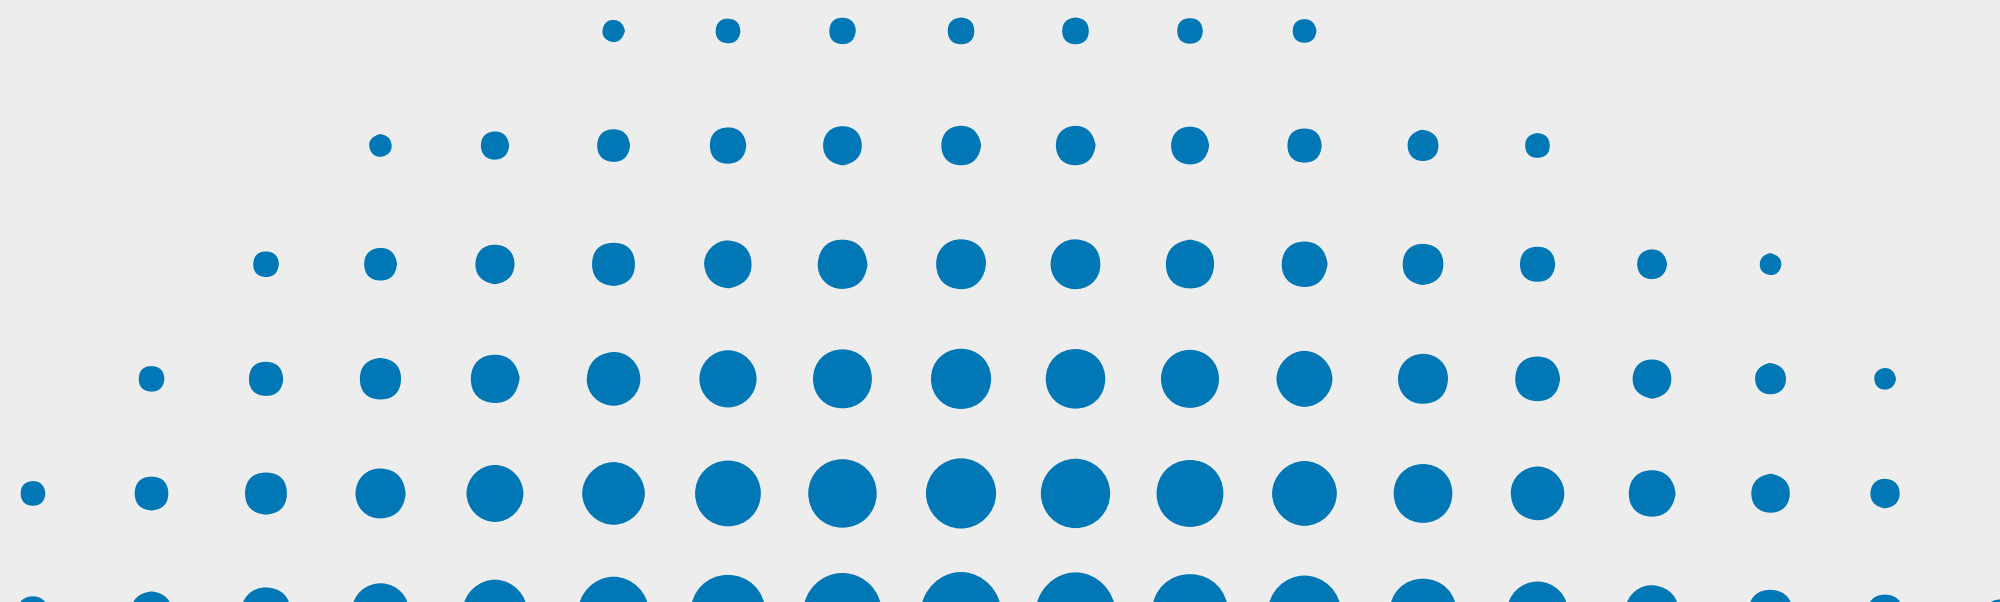

Problem

Nowadays **65% of businesses** struggle to find labors, especially during busy times such as restaurants in the weekends.

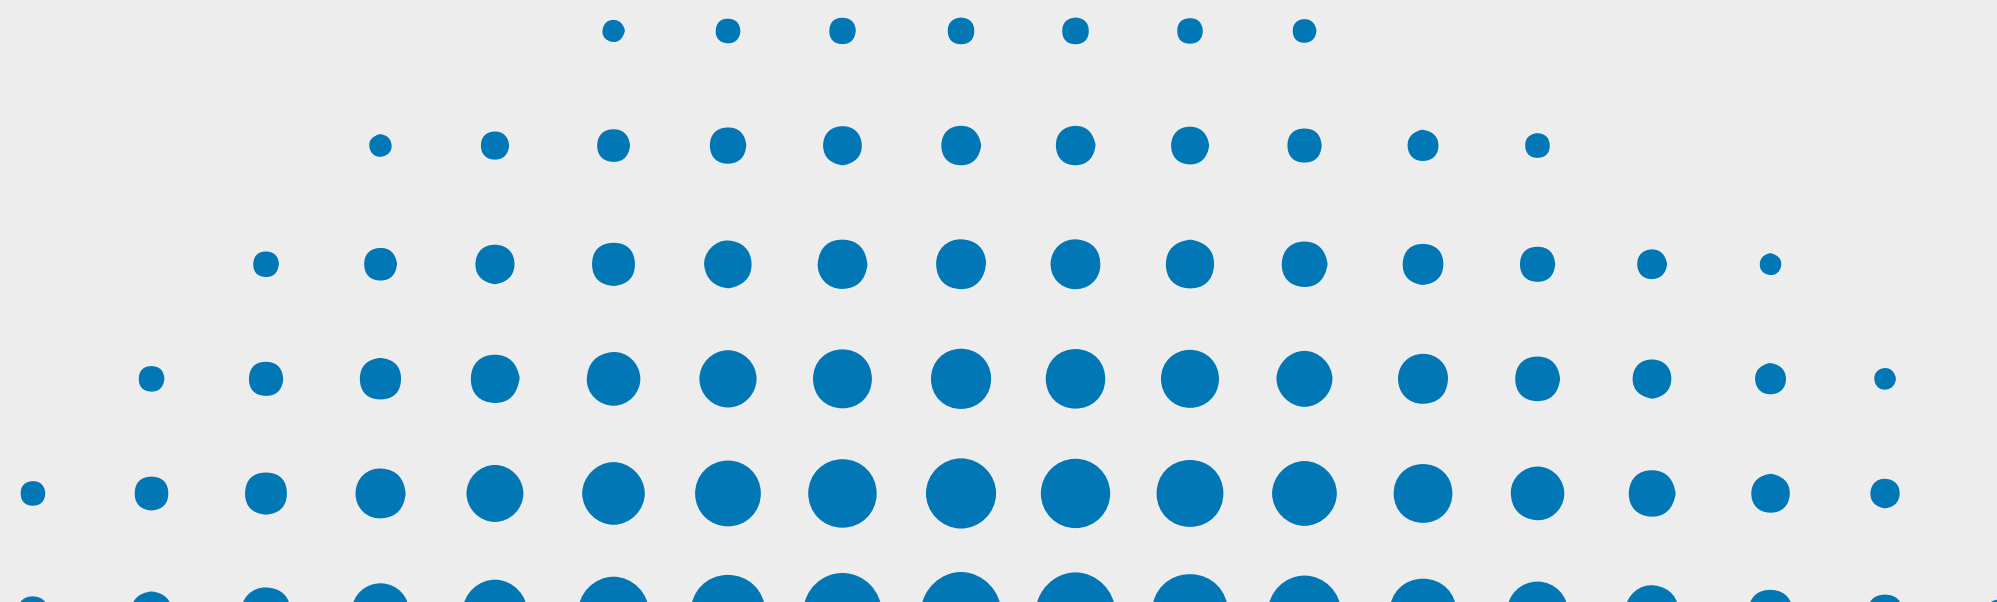

On the other hand, there are over **200,000 people** looking for side jobs to supplement their earnings.

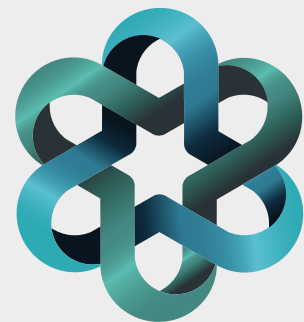

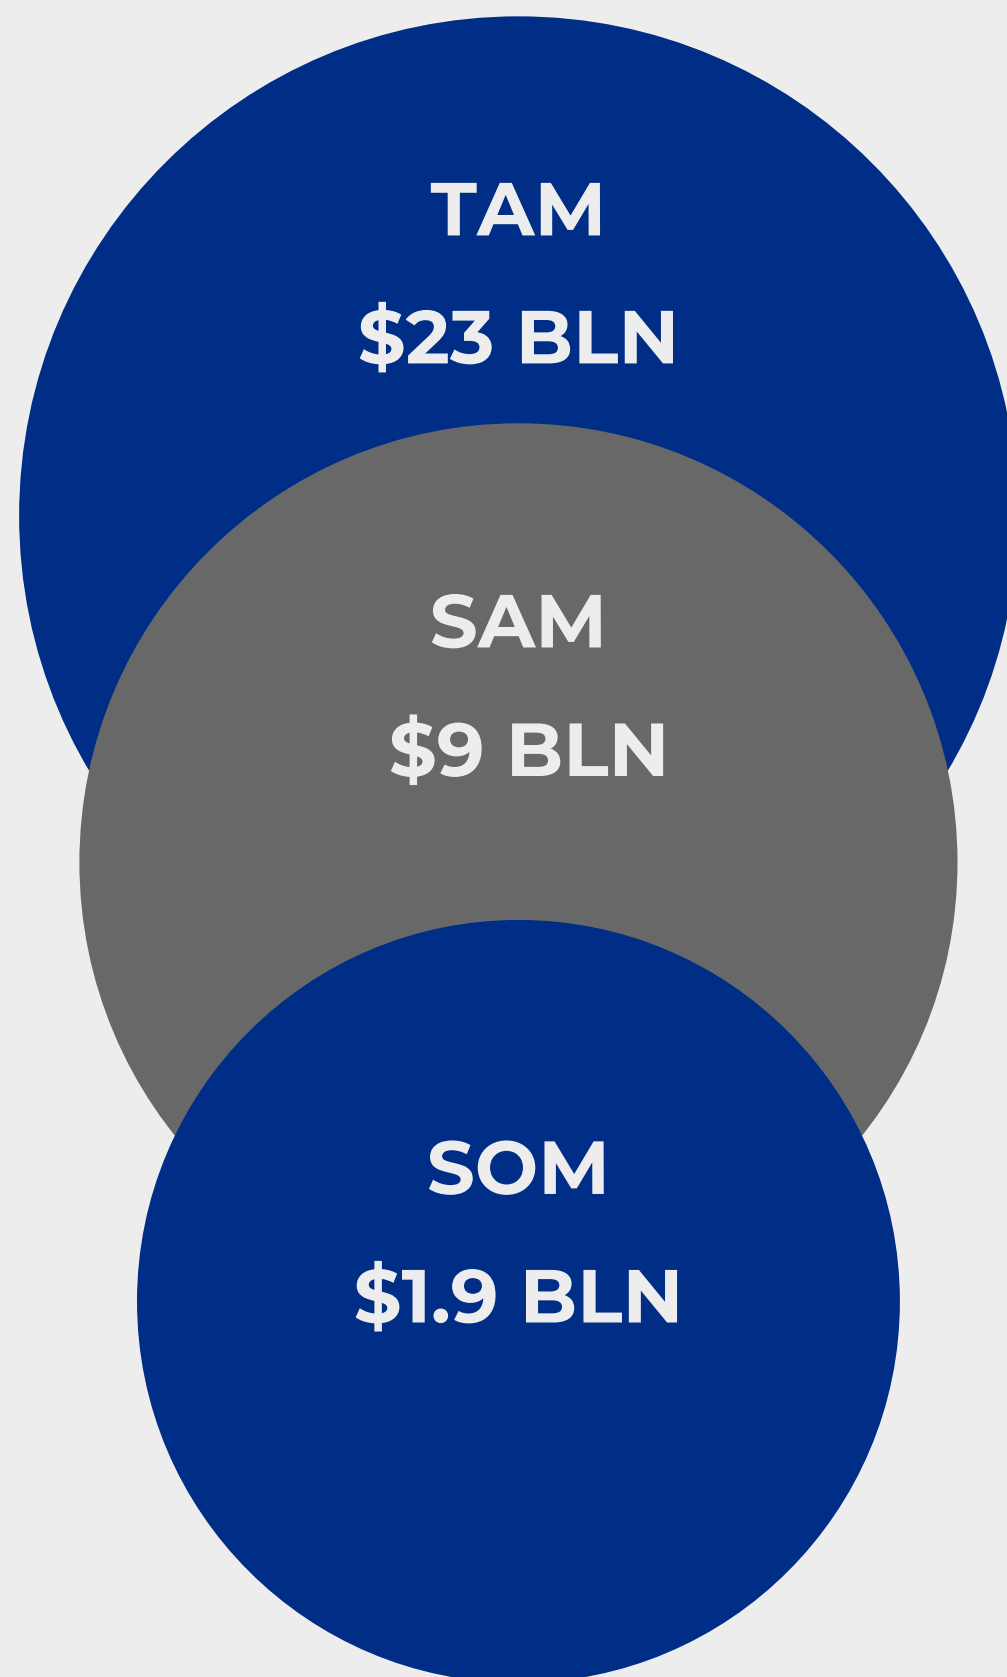

Solution

An **on-demand job platform** to bridge the gap between employers with short-term staffing needs and individuals eager to take on these on-call jobs.

Market

TAM
